To: The Shareholders of Hong Leong Financial Group Berhad

Dear Sir/Madam

PROPOSED SHAREHOLDERS' MANDATE ON RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the Company's AGM held on 28 October 2009, the Company had obtained a mandate from its shareholders for the HLFG Group to enter into RRPT of the HLFG Group, with certain classes of related parties as disclosed therein. The said mandate shall, in accordance with the Main Market Listing Requirements, expire at the conclusion of the forthcoming AGM of the Company scheduled to be held on Tuesday, 26 October 2010 at 11.45 a.m. ("said AGM"), unless it is renewed at the said AGM.

In connection thereto, on 24 September 2010, the Company announced that your Directors propose to seek your approval for the Proposed Shareholders' Mandate at the said AGM.

The purpose of this Circular is to provide you with details of the Proposed Shareholders' Mandate and to seek your approval for the proposed ordinary resolutions pertaining to the Proposed Shareholders' Mandate to be tabled at the said AGM.

The Notice of the said AGM together with the Form of Proxy are set out in HLFG's Annual Report for the financial year ended 30 June 2010, which is despatched together with this Circular.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Main Market Listing Requirements

Paragraph 10.09(2) of the Main Market Listing Requirements provides that a listed issuer may seek a mandate from its shareholders for RRPT of a listed issuer or its subsidiaries subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Main Market Listing Requirements;
- (c) the listed issuer's circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain the shareholder mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder, and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder must not vote on the resolution to approve the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular to shareholders by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholder mandate pursuant to the above, the provisions of paragraph 10.08 of the Main Market Listing Requirements shall not apply with regard to transactions as detailed in Section 2.3 of this Circular.

Accordingly, the Company proposes to seek your mandate for the HLF Group to enter into transactions with related parties which are of a revenue or trading nature and necessary for its day-to-day operations and on terms not more favourable to the related parties than those generally available to the public, where applicable, and are not detrimental to the minority shareholders of HLF.

The Proposed Shareholders' Mandate, if approved at the said AGM, will take immediate effect and will continue to be in force until the conclusion of the year 2011 AGM of the Company or until the expiration of the period within which the year 2011 AGM is required by law to be held (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act, unless revoked or varied by the Company in a general meeting, whichever is the earlier.

As HLF's subsidiaries, HLA and HLTMT are companies falling under paragraph 9.20(2)(b) of the Main Market Listing Requirements i.e. companies whose activities are regulated by any written law relating to banking, finance companies or insurance and are subject to supervision by Bank Negara Malaysia, Practice Note No. 12 issued by Bursa Securities allows HLF to procure a shareholders' mandate for the acquisition or disposal of Securities which is a recurrent transaction, involving the interests of related parties by HLA and HLTMT.

2.2 Classes of related parties

Shareholders' approval is sought for the Proposed Shareholders' Mandate involving RRPT which are carried out by the HLFG Group with any of the following classes of related parties:-

- Tower Real Estate Investment Trust ("Tower REIT"). The trustee and manager of Tower REIT are AmTrustee Berhad and GLM REIT Management Sdn Bhd ("GLM REIT Management") respectively. GLM REIT Management is a wholly-owned subsidiary of GuocoLand (Malaysia) Berhad ("GLM"). YBhg Tan Sri Quek Leng Chan is a Director and major shareholder of HLFG and GLM. As at 6 September 2010, certain subsidiaries of HLCM, namely, HLP Equities Sdn Bhd, HLA, HLB, Hong Leong Investment Bank Berhad and Asia Fountain Investment Co Ltd, which are persons connected with YBhg Tan Sri Quek Leng Chan have a total of 51.60% in the units of Tower REIT.

The details of shareholdings of HLCM and YBhg Tan Sri Quek Leng Chan in HLFG are set out in Section 5 of this Circular.

2.3 Nature of recurrent related party transactions contemplated

HLFG is principally an investment holding company and provision of services to its subsidiaries to enhance group value. The principal activities of HLFG's unlisted subsidiaries are life and general insurance business including statutory insurance and takaful business.

The Hong Leong Group is involved in a diverse range of industries including, inter-alia, manufacturing, procuring and assembling of motorcycles, scooters, motorcycle engines and related parts and products, distribution of motorcycles and motorcycle components, provision of maintenance and repair services for motorcycles, manufacturing and sale of ceramic tiles, provision of research and development services for motorcycles and ceramic tiles, manufacturing and sale of newsprint and related paper products, manufacturing, assembling, testing and sale of integrated circuits, semiconductor devices, electronic components and leadframes, manufacture and sale of concrete products, fibre cement products and concrete roofing tiles, design, manufacture and supply of furniture and interior design fit-out works, manufacturing and trading of billets, steel bars and wire rods, manufacture and sale of steel products, steel wire products, steel pipes, wire mesh, wire ropes, galvanized wires and strands and pre-stressed concrete strands and wires, commercial banking business and provision of related services which include Islamic Banking business, leasing, real property investment, nominee services and investment in offshore securities, securities broking, fund management, unit trust fund services, futures broking, share registration, provision of nominees and custodian services, investment banking and corporate advisory services, marketing, property investment and development, project and property management and hotel operations, provision of management, training and security guard services. In view of the diversity of the Hong Leong Group's business, it is envisaged that in the normal course of business of the HLFG Group, transactions in respect of goods and/or services by companies in the HLFG Group with the Hong Leong Group will occur with some degree of frequency from time to time and may arise at any time.

The Group Management And/Or Support Services are part of the shared services of companies within the Hong Leong Group. These shared services are provided in-house in order to align with the Hong Leong Group's corporate objective and management disciplines and to reduce operating cost and improve efficiency such as through economies of scale, better utilisation and allocation of resources, standardisation of processes and operating procedures and information technology. Accordingly, the Board considers it beneficial to enter into transactions in respect of the Group Management And/Or Support Services. The Group Management And/Or Support Services are carried out on commercial terms and on terms not more favourable to the related parties than those generally available to/from the public, where applicable, and which will not be, in the Company's opinion, detrimental to the minority shareholders.

The Corporate Office Support Services represent the services provided by the HLFG Group in the planning, management and support of companies within the HLB Group and the HLG Capital Group. These shared services are provided in order to reduce operating cost and improve efficiency.

One of the recommendations under the Financial Sector Master Plan was that financial institutions create one-stop financial centers offering customers a broad range of financial products and services. In line with this, HLFG and its subsidiaries (including HLB and HLG Capital and their respective subsidiaries) have embarked on cross selling of selected financial products and services as part of the cross-selling initiatives of the HLFG Group and the following cross-selling services are carried out:-

- (i) selected financial products and services of the HLB Group and HLG Capital Group such as credit cards, home/car loans and unit trusts are sold to customers of the HLFG Group; and
- (ii) selected financial products and services of the HLFG Group such as insurance and IT related services are sold to customers of the HLB Group and the HLG Capital Group.

Every successful sale completed by the product owner under the cross selling programme entitles the company which had rendered the cross selling service by referring or introducing its customers to the product owner, to receive a payment from the product owner. The cross selling services are mutually beneficial to HLFG and its subsidiaries (including HLB and HLG Capital and their respective subsidiaries) in that it enlarges the customer base and delivery channels for their respective products and services.

The acquisition and disposal of Securities in which related parties may have major interest by HLA and HLTMT, an insurance company and a takaful company respectively, are in the ordinary course of business of HLA and HLTMT.

- (vii) The acquisition or disposal of Securities shall be based on prevailing market prices.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Board Audit & Risk Management Committee ("BARMC"), in its review of the RRPT may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers.

To monitor, track and identify the RRPT, the following review procedures have been implemented:-

- (i) A register is maintained to record all RRPT which are entered into pursuant to the Proposed Shareholders' Mandate.
- (ii) The BARMC will undertake a quarterly review of RRPT to ensure that such transactions are undertaken on commercial terms and on terms not more favourable to the related parties than those generally available to the public, where applicable, and are not, in the Company's opinion, detrimental to the minority shareholders and in the best interest of the HLF Group.

There are no specific thresholds for approval of RRPT within the HLF Group. However, all RRPT are subject to the approval of the Heads of the relevant operating companies or such persons to whom they may delegate such power subject always to any HLF Group's policies that may be issued from time to time.

The BARMC will review the existing procedures and processes, on an annual basis and as and when required, to ensure that the RRPT are at all times carried out on commercial terms consistent with the HLFG Group's usual business practices and policies.

The BARMC of the Company has reviewed the above procedures and is satisfied that the said procedures are adequate to monitor, track and identify RRPT in a timely and orderly manner and are sufficient to ensure that the RRPT will be carried out on commercial terms consistent with the HLFG Group's usual business practices and policies and on terms not more favourable to the related parties than those generally available to the public, where applicable, and are not detrimental to the minority shareholders. Any member of the BARMC who is interested in any transaction shall abstain from reviewing and deliberating on such transaction.

- (ii) The Proposed Shareholders' Mandate will enhance the HLFG Group's ability to pursue business opportunities which are time-sensitive in nature and will eliminate the need for the Company to convene separate general meetings to seek shareholders' approval for each transaction.
- (iii) For certain transactions, where it is vital that confidentiality be maintained, it would not be viable to obtain shareholders' prior approval, as releasing details of the transaction prematurely may adversely affect and prejudice the HLFG Group's interests and place the HLFG Group at a disadvantage as compared with its competitors who may not require shareholders' approval to be obtained.
- (iv) The Proposed Shareholders' Mandate will substantially reduce the expenses associated with convening general meetings on an ad hoc basis, improve administrative efficiency considerably and allow resources to be channeled towards attaining other corporate objectives.
- (v) In respect of the Corporate Office Support Services and Group Management And/Or Support Services, the Proposed Shareholders' Mandate will enable the HLFG Group to reduce operating cost and to improve efficiency, thereby improving business and administrative efficacy for the HLFG Group.

FURTHER INFORMATION**1. DIRECTORS' RESPONSIBILITY STATEMENT**

This Circular had been seen and approved by the Directors of HLFG who collectively and individually accept full responsibility for the accuracy of the information given and confirm that, having made all reasonable enquiries and to the best of their knowledge and belief, there are no other material facts, the omission of which would make any statement herein misleading.

2. MATERIAL LITIGATION, CLAIMS AND ARBITRATION

HLFG was served with a Writ of Summons dated 21 March 2002 filed by Borneo Securities Holdings Sdn Bhd ("BS Holdings") in relation to the termination of the sale and purchase agreement dated 31 October 2000 ("SPA") between HLG Securities Sdn Bhd ("HLG Securities") and BS Holdings for the proposed acquisition of 100% equity interest in Borneo Securities Sdn Bhd by HLG Securities for a total purchase consideration of RM88 million comprising RM31 million cash and the balance RM57 million to be satisfied through the issue of new HLG Capital shares to BS Holdings ("Proposed Borneo Acquisition"). HLFG's subsidiary, HLG Capital and HLG Capital's wholly-owned subsidiary, HLG Securities, had also been named as defendants in the said suit. In conjunction with the Proposed Borneo Acquisition, BS Holdings issued a letter to HLFG undertaking to give HLFG a first right of refusal to purchase any or all of the new HLG Capital shares that BS Holdings may, from time to time, wish to sell ("Undertaking").

In view of the Undertaking, HLFG was deemed interested in the Proposed Borneo Acquisition and in compliance with the rules on related party transactions of the Bursa Malaysia Securities Berhad ("Rules"), HLFG had to abstain from voting at the extraordinary general meeting ("EGM") of HLG Capital convened to consider the Proposed Borneo Acquisition. BS Holdings alleged that HLFG ought not to have abstained from voting at the said EGM and in so doing, HLFG caused the SPA to be terminated. The Company is of the view that the suit is baseless and had appointed lawyers to defend the suit. The suit is fixed for hearing on 1st to 3rd November 2010.

Save as disclosed above, the HLFG Group is not engaged in any material litigation, claims and arbitration, either as plaintiff or defendant, and the Directors do not have any knowledge of any proceeding, pending or threatened, against the HLFG Group or of any other facts likely to give rise to any proceeding which may materially or adversely affect the financial position or business or title to or possession of any of the properties of the HLFG Group.
